New programs--same great series! Each session is unique, and features an opportunity to sing classic hymns of the Christian faith, both old and new, as well as hear stories and gain insights as you peek "behind the scenes" at these classic hymns--all in the beautiful Collins Chapel setting. The programs are led by the Rev. Laura Jaquith Bartlett, the Worship & Music Director for the 2016 General Conference of The United Methodist Church, a global gathering for the entire denomination. The musical morning is followed by a delicious meal prepared from scratch, using local seasonal produce. After lunch, you're welcome to spend as long as you like exploring the grounds and facilities, shopping the Ten Thousand Villages display or relaxing in the Center's comfortable library. Tour guides are available for the buildings and trails.
